

Dear member,

The purpose of the below QR codes is so that you can pay you membership dues via electronic payment. The total fee includes processing fees from our electronic payment processor. If you do not want to pay the fee please place a check or money order in the drop box to the left. Include your name, lot number and PPIN for each lot. Lots with building are \$75.00 and lots with no building are 40. You will have to pay for each lot individually at this time electronically. Payments not received by September 30th will be assessed a late fee.

Thanks
Pinedale Treasurer
